## TERMS OF USE

---

Most fonts are standard or free, however some of the scripts are paid. Although we cannot provide you with the font files, due to the fact that they are third party, we have included download links where you can find the fonts.

### Fonts Used:

#### Everything Calligraphy

<https://creativemarket.com/alddesign/3158641-Everything-Calligraphy>

#### Lato

<https://fonts.google.com/specimen/Lato>

### Copyright Agreement:

By purchasing these logos, you are legally bound to the following terms:

All premade logo designs are copyright Macarons and Mimosas Design Studio. You, the purchaser, of the pre-made logo designs, do have the full rights the print and use these designs for your brand and branding materials, including stationary, brochures, fliers, your website + blog, social media networks and more. You do not have the right to resell and distribute the design, passing it off as your own work. As, per the listing description, these premade logo designs are resold more than one time.
